CPI GROUP

- WORLDWIDE CONTAINER SOLUTIONS

Container Providers International (CPI Group) is a privately owned container trading company established in 1978 in Copenhagen. We supply new and used containers worldwide through our global office network.

STANDARD NEW CONTAINERS

CPI Group has produced shipping containers since 1992, and today we are one of the leading container suppliers in the world. We have a large monthly production and we can offer all types of ISO containers. As a customer you can benefit from our stock of new containers at key points all over the world, offering you immediate delivery at competitive prices. Many types which often are considered to be specials are today part of our ongoing production.

Quality control

We have our own inhouse surveyor inspecting every single container before it leaves the factory. Customers guarantee for quality containers.

Our Standard Types of New Containers are:

- 20' and 40' Standard Dry Box and 20' and 40' High Cube
- 20' and 40' Double Door
- 10'Dry Box (with CSC) and 8'Dry Box.
- 20'SET (2x10'Dry box bolted together)
- 20'with full side door.

SPECIAL CONTAINERS

CPI Group can build a large range of special containers more or less on demand based on our ongoing production and we have specialized in positioning them to the desired delivery locations at no or low cost.

- 40' and 45' Palletwide/Palletwide High Cubes
- Open Tops
- Hard Tops
- Flatracks
- Reefers
- Insulated
- 40' Openside HC
- Off Shore units
- Etc.

USED CONTAINERS / PROJECT CONTAINERS /BUY BACK

CPI Group supplies more than 20,000 Second-Hand ISO containers annually. Through our worldwide offices we can deliver equipment anywhere and we are always interested in buying back the same equipment at its final destination.

ONE-WAY LEASE

With offices worldwide we supply containers from/to all major and many remote locations - incl. many which are not served by either traditional leasing companies or shipping lines. To guarantee the condition of the containers, we use independent surveyors prior to any shipment. CPI Group also arrange financial repositioning or one-way leasing for container manufacturers, shipping lines and NVOCCs of their own equipment.

CUSTOMIZED CONTAINERS

Production of containers with special requirements as to design, material used, type of paint, suitability for special purposes can be arranged. Small changes can be implemented at no or minimal cost. More special requests can be designed, produced, tested and certified for their purpose. At request you can choose the color, prefix and logo.

LONG TERM LEASE AND PURCHASE LEASE

CPI Group have proven over the years to be very competitive when leasing/financing standard equipment or containers built with your specifications.
